Mama mia

I was cheated by you and I think you know when.
So I made up my mind this must come to an end
Look at me now will I ever learn?
I don't know how but I suddenly loose control
There's a fire with in my soul

Just one look and I can hear a bell ring
one more look and I forget everything
woah woah
Mama Mia here I go again
My My , how can I resist you
Mama Mia does it show again
My my just how much I've missed you

yes I've been broken-hearted
blue since the day we parted
Why Why did I ever let you go
Mama Mia now I really know
My my I could never let you go (2x)

Dancing queen

intro : aah aah oohoo
You can dance, you can jive, having the time of your life
See that girl, watch that scene, diggin' the dancing queen

Friday night and the lights are low
Looking out for the place to go
Where they play the right music, getting in the swing
You come in to look for a king

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance...

You are the dancing queen, young and sweet, only seventeen
Dancing queen, feel the beat from the tambourine oh yeah
You can dance, you can jive, having the time of your life
See that girl, watch that scene, diggin' the dancing queen
See that girl, watch that scene, diggin' the dancing queen

I have a dream

I have a dream, a fantasy
To help me through, reality
And my destination, makes it worth the while
Pushin' through the darkness, still another mile
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream, I Have a Dream
I'll cross the stream, I Have a Dream

Waterloo

My my
At Waterloo, Napoleon did surrender
Oh, yeah
And I have met my destiny in quite a similar way
The history book on the shelf
Is always repeating itself

Waterloo
I was defeated, you won the war
Waterloo
Promise to love you forevermore
Waterloo
Couldn't escape if I wanted to
Waterloo
Knowing my fate is to be with you
Wa-Wa-Wa-Wa-Waterloo
Finally facing my Waterloo

So how could I ever refuse
I feel like I win when I lose

Waterloo
I was defeated, you won the war
Waterloo
Promise to love you forevermore
Waterloo
Couldn't escape if I wanted to
Waterloo
Knowing my fate is to be with you
Wa-Wa-Wa-Wa-Waterloo
Finally facing my Waterloo
ooh Waterloo
Finally facing my Waterloo
